

2020-2021 Texas Bullying & Cyberbullying Presentation

Summary & Objectives – K-1st Grades

Summary: The purpose of this presentation is to raise early awareness of bullying, cyberbullying, and self-care in a developmentally appropriate manner for Kindergarten and 1st grade. Students who have a clear understanding of what bullying is, what it looks like, and how it effects other students as well as themselves are more likely to refrain from bullying, to take action to stop it when they see it, and to advocate for others and themselves in possible bullying situations.

Objectives:

- Students will be introduced to David's Legacy Foundation
- Students will learn the difference between Kind, Mean, and Bullying behaviors
- Students will be given the opportunity to differentiate between Kind and Mean using real life situations
- Student will be familiar with different acts of kindness and ways to use them in and outside of school
- Students will learn ways to be kind to themselves
- Students will learn what to do and ways to cope when mistreated
